

28 February 1969

MORNING MEETING ACTION ITEM

TO: Legislative Counsel

Maury noted that the Director is scheduled to appear on 5 March before Congressman Pike's subcommittee on the Pueblo. The Director asked that his testimony be carefully drafted in advance and asked Maury to determine the membership of the subcommittee and exactly what is expected of him. Maury called attention to today's Washington Post article on the Pike subcommittee. The Director asked Maury to make certain it is understood that his testimony will be given in closed session.
